

# *The Positive Place For Kids*

The Boys & Girls Club of Corvallis makes a significant impact on our community by providing a safe and positive atmosphere for local youth. At the Club, members learn how to be positive, contributing members of society through peer-to-peer and mentor-mentee relationships and through the various daily activities. By contributing to the Boys & Girls Club, you are not only creating local awareness of your business—you are helping to provide a variety of activities for kids and adolescents in the Corvallis area.

Thank you for helping us to continue to be able to provide a safe and stimulating environment for our youth.

“We're proud to be ongoing sponsors of the Boys & Girls Club of Corvallis. The Club truly is a positive place for kids. Whether it's supporting a fun event like the Golf Classic or having our company name on the gymnasium scoreboard, helping kids while branding our name is a win-win for everyone.”
