

**Intern Title: Journalism/Youth Coordinator Intern  
Boys & Girls Club of Corvallis**

**Info on BGCC:**

The Boys & Girls Club of Corvallis is a local non-profit looking to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens. We look to interns to help bring new and exciting programming to the members we serve and provide an educational and professional internship experience.

**Intern Description:**

Core to the Mission of the Boys & Girls Club of Corvallis as a youth development organization, we strive to provide intentional programs and opportunities that develop our members towards being responsible and capable citizens. To accomplish this important work with our school age youth, the Club is looking for interns to provide consistent mentoring, coaching, and supports of our youth through our afterschool youth programs. The Club has several opportunities for internships in our academic and enrichment program at the STARS sites (all elementary schools except Franklin) and at the South Corvallis Boys & Girls Club located at the Lincoln k-8 school. The primary role at this site is to work with youth who are academically at risk and may not have access to outside enrichment opportunities. The program runs every school day from September through early June from 2:30 – 5:30pm. We are looking for an individual that could go around to each of the BGCC STARS sites monthly and work with the participants to put together a monthly BGCC STARS newsletter we could send out to parents. This is an unpaid Internship.
