

Turf Management Intern Boys & Girls Club of Corvallis

The Boys & Girls Club is in need of a Turf Management Intern to assist in the management of the Boys & Girls Club's Williams Field in Corvallis, Or. This intern would utilize up to date methods of turf management to care for the four field baseball/softball complex Williams Field. This individual would work directly under the Athletic Director in day to day operations of Williams field with the option for special project implementation. Individual must have a background in Turf Management or related field, and be able to devote 8-15 hours a week (for a term or season). Responsibilities associated with this internship include but are not limited to: mowing, fertilizing, laying sod, prepping of fields, landscaping maintenance, and maintenance of existing irrigation and drainage system. This position is needed in the spring, summer, and fall term. The ideal internship would be able to span from spring to fall, allowing the intern to gather practical skill and knowledge associated with turf management over the course of the seasons. If you're interested in this position please contact Drew Ibarra at dibarra@bgccorvallis.org or at **757-1909 ext. 210**. Or come into the Boys and Girls Club of Corvallis and fill out an application. Please specify this position. This is an unpaid Internship.
